### Dear Parents, Carers and Students

---

Over the last three weeks, we have welcomed colleagues from a number of other Trusts who have visited Idsall to see our work in action. Each visit has been a wonderful opportunity to share the strength of our teaching, the consistency of our routines, and the calm, purposeful atmosphere across the school. Visitors were particularly impressed by how confidently students talked about their learning and how proudly they showcased their work.

When asked about our phone-free approach, students shared overwhelmingly positive feedback, saying that lessons feel more focused, they talk more with friends, they feel *safer* without phones in school, and the environment feels calmer.

They did, however, ask for more clocks in classrooms and corridors as many do not wear a watch — and we're pleased to let them know that new clocks are already on the way. We also encourage students to talk to us; it's the best way of working together and getting things right for them.

We would definitely agree that the school feels more positive, louder in the right ways, and full of purposeful energy, which is a good thing.

It has been fantastic to see our young people representing the school with such maturity and pride.

## Year 8 News

### *HPV Vaccine*

The immunisation team will be visiting Idsall on Monday 1st and Tuesday 2nd June to administer the HPV vaccine to year 8. Please watch your emails for more information. The HPV vaccine is available to all year 8 students.

## Year 11 News

### ***Year 11 Group Photograph***

The year 11 group photograph has been emailed home to parents on Thursday 12th March. Please check your emails.

Details on how to order are all included in the email.

Any issues please contact the school.

### ***Summer Exams***

On Friday (6th March) a letter was sent out to all parents / guardians of year 11 regarding the upcoming GCSE exam season. The letter gives information on the exam school revision sessions, attendance expectations, the exam day arrangements plus much more!

- 
- *The main exams start on Friday 1st May and continues until Monday 15th June.*
  - *Year 11 Study Leave will begin on Friday 12th June.*
- 

If you have not received a copy of the letter please contact the school.

### **OTHER IDSALL NEWS**

### **\* House Sports Programme**

Below is a copy of the house sports programme which starts Monday 16th March.

Students taking part need to ensure that they have all equipment and give it their best and earn points for their House during this competition.

*Please note we will run an alternative non house for any students that can't join in with these fantastic, fun and friendly tournaments.*

Please note :

- Basketball, Volleyball and Badminton activities are indoor, indoor PE equipment required and clean trainers.
- All football, tag rugby and Netball will be on the all weather big blue surface - trainers essential and warm PE tops may be required.
- All Rugby will be on the grass - boots and studded trianers essential and mouth gaurds strongly recommended. (and a carrier bag for muddy PE kit often handy).

## \* England Handball Coaching

It's brilliant to continue seeing so many of our students taking part in our free handball club, coached by England handball player Tom Williams.

 Students are developing their handball skills, having lots of fun, and for some it's their very first introduction to this fantastic sport!

It's also lovely to see new faces joining us each week.

We look forward to seeing these new skills being put into action in their PE lessons!

### Rugby

Y8 and 9 rugby squad played in the county cup against last years winners Adams Grammar.

Having a lot of possession but unable to covert we went in 4 tries to 1 down.

Our try was a a great 5 phase move ending with a break away from Logan in his first ever rugby game on the wing.

The rest of the game was dominated, but Mr Goodison was so proud of the discipline and effort/heart shown all the way despite having very little of the ball second half, eventual score 37 points to 7.

## Swimming

Swimming team went off to Wrekin college with a strong set of individuals this week, not enough for a team event in either KS3 or KS4 but some fantastic swims!

- Will year 8 finished 3rd in Telford Schools with a 2nd and 2 x 3rd place swims in Breaststroke, fly and individual medly.
- Flo year 10 came 6th in Telford Schools with a 2nd, a 3rd and a 6th place finish in Breaststroke, fly and individual medly.

Story of the day was for James in year 10 who not only finished 2nd in the Telford school rating for Intermediate boys but also broke the 50m backstroke record on his way to victory in the 50m backstroke. Some of these records are national standard and James swam 50m in 30.06 seconds an amazing achievement.

Well done to all swimmers on the day.

## U 13 Girls Football

Our U13 girls were on the road to Oldbury Wells for the East Shropshire football competition and put in a brilliant performance to win 4–2! 🏆👏

Goals from Layla, Molly (x2) and Thea sealed a fantastic team victory.

So proud of the effort, teamwork and determination from the whole squad! 🏆👏

### Year 8 Football

The year 8 football team beat Thomas Telford C team in the 2nd round of the Telford Plate competition.

Amazing football being played by the whole squad 🙌

Well done to all those that played!

### District Cup

Our U14 girls hosted Ercall Wood in the District Cup today. After putting in a huge shift and delivering a brilliant performance, we were unfortunately knocked out with a 3–1 scoreline.

The progress this team has made has been fantastic to see and we are incredibly proud of them all. 🙌

⚽ Goal: Ellah H

★ Star performer: The whole team – a true team effort!

### Year 7 & 8 5 A-Side

⚽ Some of our Year 7 & 8 footballers headed over to Shrewsbury Town FC to take part in an exciting 5-a-side tournament! Our girls went head-to-head with teams from across Shropshire and played some fantastic football throughout the day.

Final result: 3rd place! 🏆

### Year 8 Netball

🏐 Our Year 8 netballers proudly represented East Shropshire in the KS3 School Games. The team played brilliantly in every match and came away having secured 3rd place! 🏆

The girls should be extremely proud of themselves for representing East Shropshire and performing so well throughout the competition.

Well done girls! 🙌

### **\* All About Vern - Art 4 All Project**

A few weeks ago we shared this year's Art 4 All project is all about Vern! Schools across the area are getting involved in this creative and inspiring initiative.

## All about Vern Stokes

- 1** Known as Vern, his full title is Major Andrew Stokes OBE, MVO, DL. His titles have been given to him as a thanks for his service to the country and the Royal Family.
- 2** He grew up in Madeley and went to school at BRJ which was where Charlton School is now.
- 3** When he left school at 16, Vern joined the British Army and travelling to countries including Bosnia, Northern Ireland, Afghanistan, Kenya, Belize, Canada and Iraq.
- 4** When Vern was based at Sandhurst, where officers go to be trained, he had the highest possible role (Academy Sergeant Major).
- 5** He is the Garrison Sergeant Major, which means he is in charge of planning all of the big events involving the Royal Family - known as State Ceremonial events.
- 6** Some of the occasions he's planned include Queen Elizabeth II's funeral, King Charles III's Coronation and the VE Day 80 military events.

**7** He even won a BAFTA for organising the Royal British Legion Festival of Remembrance!

**8** But he's never forgotten about the people and groups who supported him when he was growing up in Telford, which is why he is the patron of 4 All Foundation - and why he is coming back to view a special exhibition of artwork inspired by him, and created by young people from the area!

## \* Trips Update

### Disneyland 2026 - Parental Meeting

**Thank you to all those that attended the Disney meeting on Wednesday.**

As promised please find attached a copy of the powerpoint that I went through which hopefully gives you all the information that is needed.

If there are any changes nearer the time I will email out to all parents, however do keep an eye on the newsletter for any updates!

#### **BITS TO REMEMBER :**

- It has been confirmed that your son/daughter will need to bring the 20 Euro's in an envelope for the hotel damage deposit. Please put this in an envelope with the students name on. We will collect it from them on the coach. As long as there is no damage to their room this will be returned as soon as we leave the hotel.

- A good item for your student to bring is a good powerbank. They will be in Disney for 12 hours and after taking lots of photos and messaging friends and family it really does drain phone batteries, so being able to charge it up is very handy.

Any questions / queries, please email [Cathy.Leverington@ids.mmat.co.uk](mailto:Cathy.Leverington@ids.mmat.co.uk).

## \* Safeguarding

This week's safeguarding focus is sharing some information from Shropshire TREES team – who focus on child exploitation and associated awareness, on some drugs that they are aware of that

are circulating in Shropshire recently. It is important that we are all aware of these, and remain vigilant to keep our young people safe.

	<p>"Pink Cocaine" also known as 'tusi' or 'tucci') as the drug was pink, but '2CB' was also mentioned. 'Pink cocaine' is not cocaine most of the time. It's usually a mix of different drugs, and what's in it can change batch to batch, which makes it riskier than a single known substance. It has commonly been found to contain ketamine plus other stimulants/ empathogens. '2CB' belongs to the '2C' family of phenethylamines and is known by street names such as 'Nexus', 'Bromo', 'Toonies', and 'Venus'.</p>
	<p>Ketamine remains popular amongst young people. The government have recently collaborated to publish warnings around ketamine use which can be found via the link below: <a href="https://www.youtube.com/watch?v=OCV4VPI-BB3k&amp;t=4s">https://www.youtube.com/watch?v=OCV4VPI-BB3k&amp;t=4s</a></p>
	<p>'THC Vapes', 'Carts' or like examples to the left of 'Penjamin' pens are discreet vapes which are disguised to look simply like a pen. THC vapes sold to young people often contain SCRA's (Spice). Greater Manchester first issued warnings about this in 2018. THC vapes were a focus of the last GM-TRENDS which showed in most, but not all cases, the product was purchased as THC rather than as SCRA (Spice) Last year a study found vapes and vape liquids containing synthetic cannabinoids were identified in three quarters of 27 secondary schools in England that were sampled, in total 17.4% of 512 samples, with just 1.2% being THC.</p>
	<p>Drugs that contain 'nitazenes' are killing people across the UK. These are highly dangerous synthetic opioids which have been found in a wide range of drugs that people have taken on nights out, to help them sleep or to self-medicate. Counterfeit medicines which are made to look like real medicines – such as Oxycodone or Percocet, have been found with these dangerous 'nitazenes' within them without people knowing. Nitazenes have also been reported in other counterfeit pills, like fake diazepam (brand name Vallium) and fake alprazolam (brand name Xanax). Drugs in other forms like powders could also contain nitazenes. See link for more info: <a href="#">Synthetic Opioids: What are they and why are they so dangerous?</a></p>

## \* Students Who Use School Transport

Please find below the latest guidance for behaviour on school transport to and from school. This is a copy of the Shropshire Council Behaviour on School Transport Policy.

If your students uses school transport please have a read at the transporation guidance below :

## Shropshire Council Behaviour on School Transport Policy

Safe and respectful behaviour on school transport is critical to ensuring the safety and well-being of all passengers and staff. This policy establishes clear expectations and responsibilities for pupils using home-to-school transport, emphasizing safety, mutual respect, and zero tolerance for dangerous or abusive conduct. It aligns with legislation such as the Education and Inspections Act 2006 and fosters cooperation among the Council, schools, parents, and transport staff to maintain a safe, orderly environment on school buses and other transport modes.

### Scope and Principles

The policy applies to all pupils using Council-arranged transportation, including mainstream and special educational needs transport. It supplements school behaviour policies and travel conditions, making good conduct a condition for riding the bus. Positive behaviour is encouraged, while unsafe or disrespectful behaviour results in sanctions.

### Roles and Responsibilities

#### Pupils – Expected Behaviour

Pupils must always follow the driver's instructions, use their assigned vehicle and stop, and carry a valid bus pass daily where issued. Boarding and disembarking must be done safely and orderly, with adherence to the Green Cross Code when crossing roads. During the journey, pupils must remain seated, wear seat belts where provided, keep aisles and exits clear, and refrain from distracting the driver. Respectful behaviour towards drivers, assistants, and fellow passengers is mandatory, with bullying and abusive language strictly prohibited. Eating, drinking, smoking, and vandalism are forbidden, and misuse of emergency equipment is a serious offence. If a pupil misses their bus, they should report to school staff and contact parents rather than attempting alternative travel independently. Any concerns or incidents should be reported promptly to parents, schools, or the Council.

#### Parents/Carers – Responsibilities

Parents and carers play a vital role in reinforcing good behaviour and ensuring safety. They must ensure children travel safely to and from bus stops, supervise young or vulnerable pupils, and have contingency plans for delays or missed buses. Parents should ensure children carry valid bus passes where issued and understand the importance of using designated routes without requesting unscheduled stops or unauthorized riders. They are encouraged to discuss and reinforce the bus conduct rules, support school and Council discipline efforts, and ensure children do not carry prohibited items. Parents are financially

---

liable for any damage caused by their children and should maintain communication with schools and the Council to address any issues or concerns.

#### Schools and Council – Responsibilities

Schools treat travel [behaviour](#) as an extension of the school environment, communicating transport rules and integrating them into overall [behaviour](#) policies. They have authority to discipline pupils for conduct on the journey to and from school and cooperate with the Council in managing incidents. Drivers maintain order through instructions and report incidents, while passenger assistants supervise and support pupils, especially those with special needs. Both schools and the Council promote positive [behaviour](#) and maintain open communication with families about [behaviour](#) expectations and incidents.

#### Unacceptable [Behaviour](#) and Prohibited Conduct

The policy prohibits aggression, bullying, abusive language, dangerous distractions, refusal to obey safety rules, vandalism, theft, throwing objects, substance use, unreasonable [behaviour](#) toward staff, and other illegal or dangerous acts. Such [behaviours](#) are considered serious breaches and will lead to disciplinary action. Some [behaviour](#) may also require the involvement of the police. [Generally](#) a sanction will only be applied after investigation of an incident (however where there is a serious health and safety risk an immediate sanction may be applied).

Examples of the type of [behaviour](#), which will invoke a [sanction](#), are listed [below](#):

- Bullying/harassment/intimidation (physical and/or verbal)
- Distracting/assaulting the driver
- Failure to follow instruction from the driver
- Standing forward of the driver
- Using the emergency exit
- Drug misuse
- Moving around the vehicle
- Sitting in the stairwell
- Throwing objects inside the vehicle or out of the windows
- Health and safety breaches (including tampering with safety equipment such as emergency exits, CCTV cameras, smoke alarms, fire extinguishers, first aid box)
- Smoking
- Spitting
- Verbal abuse - swearing

www.shropshire.gov.uk  
General Enquiries: 0345 678 9000

- Bringing unsafe objects onto the vehicles (i.e. pen-knives, cigarette lighters)
- Playing personal stereos without headphones
- Assaulting the passenger assistant
- Vandalism/damage to the vehicle (criminal damage will be reported to the Police and parents will be held responsible for any damage caused to the vehicle)

This is not an exhaustive [list](#) and each incident will be investigated on its own merit.

#### Children with Special Educational Needs and Disabilities

We [recognise](#) that pupils with special educational needs and disabilities (SEND) may display a wide range of [behaviours](#) as a result of their individual needs, and we understand these situations can sometimes be stressful for families and children. Our team is committed to working collaboratively to support each child's needs and create the safest and most supportive environment possible for every pupil.

We rely on parents/carers keeping us informed about their child's needs, which helps us respond effectively and deescalate scenarios swiftly if required. We also work closely with schools to assist when necessary, and we appreciate their continued partnership in managing individual [behaviours](#).

There may be times when a child or young person's [behaviours](#)—including those that are challenging, disruptive, or present a safeguarding concern—make it unsafe for them, fellow passengers, or transport staff to continue travelling on school transport. In such instances, we will discuss alternative options and may offer travel assistance in the form of a Personal Travel Budget (PTB). A PTB is financial support provided to families so they can arrange suitable travel for their child. If this becomes necessary, we will contact you directly to explain the process and support you through the next steps.

#### [Non-Entitled Pupils Accessing TSPS](#)

Those pupils who have no entitlement to free school transport but access our Temporary Seats Payment Scheme may be permanently withdrawn from the scheme where there is repeated poor [behaviour](#). Parents will then be required to make their own arrangements.

#### Consequences and Enforcement

[Misbehaviour](#) leads to graduated consequences:

- **On-the-spot corrections:** Drivers or passenger assistants issue verbal warnings for minor issues, expecting immediate compliance.

www.shropshire.gov.uk  
General Enquiries: 0345 678 9000

- 
- **Reports and investigations:** Significant or repeated incidents are reported and investigated, including the use of CCTV footage where available and witness statements.
  - **Warnings and parental notification:** First-time or less severe incidents result in warning letters sent to parents, emphasizing the importance of good conduct and potential escalation.
  - **School disciplinary actions:** Schools may impose sanctions aligned with their policies, including detentions or exclusions, coordinated with the Council.
  - **Temporary suspension of transport:** For dangerous or persistent **misbehaviour**, transport privileges may be suspended for a defined period (usually starting with one week and increasing incrementally), with parents responsible for alternative arrangements.
  - **Permanent withdrawal of transport:** Extreme or repeated misconduct can lead to permanent exclusion from Council-provided transport, requiring families to arrange their own travel. This is a last resort after other measures fail.
  - **Support and alternatives:** The Council may offer alternative transport solutions or budgets for eligible pupils during suspensions, focusing on safety and attendance continuity.
  - **Reinstatement and **behaviour** agreements:** Temporary bans may end with review meetings and **behaviour** contracts; permanent bans may be reconsidered upon evidence of improved **behaviour**.
  - **Restitution and legal action:** Parents are liable for damages caused by their children, and serious offences may involve police action, including criminal charges.
  - **Appeals:** Parents can appeal long-term transport exclusions through a formal process, with decisions reviewed by a panel. Appeals should be emailed to [schooltransport@shropshire.gov.uk](mailto:schooltransport@shropshire.gov.uk) or for children with SEND [special.transport.team@shropshire.gov.uk](mailto:special.transport.team@shropshire.gov.uk)
